Packing less means: less to carry, less to worry about. You won't need much. Check the weather for Medjugorje/Međugorje (**Forecast high: 88°F, low: 64°F**). Expect lots of sun and warm weather. Below is a recommended list, and a link to a bigger list (that you should not need 😊).

Check your airline carry-on / checked bag size limits. Most allow 1 Carry-on (overhead), 1 Personal Item (under seat), and sometimes free checked bags. An example of size limits (Delta/KLM):

- **Personal Item Size:** 40cm x 30cm x 15cm (about 15.75" x 11.75" x 6") ↔ combined
- **Checked Bag:** 158cm (L + W + H) (about 62") ↔ 50 lbs

Do not use luggage w/ batteries.

## Travel Tips

Below are some travel tips. It assumes you've done the pre-trip checklist and have packed already.

### **Before your trip**

- Know your itinerary. Helps you be at the right place at the right time.
- Get lots of sleep for a few nights leading up to the trip.
- Be Early. Especially for planes, they won't wait for you.
  - **Check-in closes about 1 hr before departure — arrive at airport 3 hours early.**
- Check-in as soon as possible (**24 hr before flight**) for best seats.
- If you check a bag, assume it will be lost... pack everything you **NEED** in your carry-on.
- Pack for TSA inspection:
  - Put liquids in 1 quart-sized ziplock (max 3.4 oz including sunscreen, 1 ziplock / person). Pack w/ easy access.
  - Avoid prohibited items (aerosols, **batteries greater than 100WH**, Galaxy Note 7, Walking Sticks, see [TSA list](#))
  - Do NOT check batteries (or battery-powered items), they must go in your carry-on.

### **Airport & plane flight**

- Prep for security. Before the TSA checkpoint:
  - Put everything you are holding in your carry-on (belt, wallet, money, phone, hat, watch, jacket).
  - Hold your ID and ticket.
  - Unless told otherwise, place laptops, iPads separately through X-ray machine (in their own bin).
  - Read the signs and ask questions if you're not sure.
  - Don't joke about having something you shouldn't, etc. They don't have a sense of humor. 😊
- If you are late, show ticket and ask to go to the front of the line.
- Buy food / drinks AFTER security, but BEFORE the plane (won't count as another carry-on).
  - Extra food on the airplane is limited and expensive; most flights include meals.
- Use airport restroom (nicer than the plane).
- Don't like your seats? Doesn't hurt to ask for a new one at the counter. Be nice & smile... they get yelled at a lot. 😞
- Board early. Overhead space fills up fast, if you plan to use this space board as early as possible.
- Remember to disable roaming (better yet, all cellular) on your phone, unless it's ok on your plan.
- Turn ON "airplane mode", otherwise your battery may drain *fast* while flying.
- Noise canceling headphones. If you have them, they are amazing and make the trip much better.
- Turn off overhead air when you first sit down — exhaust blows in when the plane backs from gate.
- Many planes have USB and/or power outlets — charge your devices whenever you can.
- Sleep as much as you can.
- **Stand up and walk around** when you're awake on long flights.
- Drink water, 💧 the altitude and the filtered air will dehydrate you. Helps jet leg.
- Know what's next. Especially if your plane is late, know what to do *before* you land.

### **Passport Control & Customs**

When arriving in a country, typically your passport is verified and you must go through customs.

- Families should go through customs together. 1 person present all documents (passports ready).
- Don't joke about having something you shouldn't, etc. They don't have a sense of humor.
- Fill out paperwork (if any) before you get off plane, or as soon as you get it.

### **Arriving**

- Don't forget your bags! International stops require you claim bags *before* customs.
- CONNECT TO AIRPORT WIFI (cellular should be off) — Messages are probably waiting for you... tell others about group messages because they probably forgot to connect.
- On connecting flights, Visit your gate **before** you assume you have extra time. Timezones are confusing!
- If you go somewhere (i.e. bathroom), **make sure someone knows where you are**.

## Money

### **When should I exchange money?**

There is no need to exchange money before you leave home. Doing so will likely result in a high exchange rate (expensive). Exchanging money at the airport is also expensive.

So what to do? Use USD, or get local currency during your trip from ATM's. Alternatively, you can go to a bank in Medjugorje and exchange money — although if you have a bank card, an ATM is more convenient. (See "How do I use foreign ATMs" below)

### **Can I use a Credit Card?**

Sometimes. Some of the merchants in Medjugorje only accept cash. Some places will accept credit cards (rental cars, hotels, airports, some shops & restaurants, etc.)

Be sure to let your credit card company / bank know that you are on a trip, or they may decline your purchases. Also know which of your cards charge foreign transaction fees (very expensive in some cases). 3 cards that have no fees are: Citi Costco Visa, Amazon Rewards Visa, Apple Card. They also have varying travel benefits (like insurance). Check your card details to avoid unpleasant surprises. Some debit cards may also charge international fees, be sure to check with your bank.

### **How do I use foreign ATMs?**

There will be ATMs throughout our trip (airports and even next to the St. James in Medjugorje). You can use them as normal, except you should **NOT** choose their "guaranteed" rate — this adds a large additional fee. Instead, choose to accept the exchange rate your bank will charge you. Sometimes this is phrased: "Would you like to withdraw in USD or Marks?" — **choose the local currency, NOT USD.** ATMs will usually charge an access fee \$2 - \$5, it's best to withdraw larger amounts in fewer transactions (your bank may have fees or benefits, check with your bank).

### **What will I need cash for?**

- Gifts and Souvenirs
- Extra food or snacks (the house serves 2 meals per day, breakfast and an early dinner)
- Donations at Mass
- Taxis
- Tips
- Any fees for additional activities

It's good to have some emergency money too, perhaps \$300 per person.

### **What else do I need to pay?**

Login at [VisitQueenOfPeace.com](http://VisitQueenOfPeace.com), click the circle in the top-right, then click "Balance".

## Money

### **Bosnia-Herzegovina Convertible Mark (BAM or KM)**

- 1 BAM = \$0.58
- 1 USD = 1.73 BAM

### **Euro (EUR) - €**

- 1 EUR = \$1.13
- 1 USD = 0.88 €

## Power

**Croatia and Bosnia & Herzegovina** (Optional, some adapters available at the house)

Type F (grounded) or Type C (ungrounded)  
230V, 50Hz

OR: [www.amazon.com/dp/B0CZLGPPGL](http://www.amazon.com/dp/B0CZLGPPGL)

**Type F**

**Type C**

## Phones

Roaming charges can be expensive if you don't plan ahead. You should check with your phone provider before you leave to be sure you understand the fees. Some providers do include free calls / data, some have travel plans for \$10 / day.

To avoid roaming charges altogether, you can use WiFi, which is widely available (recommended). Just turn off cellular service (turn on airplane mode), and enable WiFi. Everything on your phone should still work except SMS (text messages) and phone calls. Messaging apps work fine, *including voice and video calling apps* (like WhatsApp). See "Pre-trip Checklist" for suggested apps. **Most people will not need cell service.**

## FM Radios

During the evening prayer program, the International Mass will be translated in English on FM Channel 94.3. This will make following the Mass and understanding the homilies much easier! 😊  
A simple wired, digital, FM radio is recommended (unless you have bluetooth headphones/earphones). Be sure to test out your radio before you leave for comfort and setup. Example radios:
